PUBLIC ART

Downtown Issaquah Association Mural Project

Commission members reviewed the final mural designs.

Utility Box Artwork

Commissioners reviewed student artwork that could potentially be used for utility box wraps. There was discussion about how many student artworks to use in one year. It was suggested that one per year would make it an honor to be selected and would spread out the student artwork so that it did not all come from one school year. It was decided that the arts commission should put out a general call for utility box wrap artwork that could be reviewed at the August meeting.

Commissioners also reviewed possible locations for artwork. And selected the following locations to be wrapped: TimberLake Park, Pickering Place, Salmon Hatchery, Issaquah Highlands (Park Drive).
