APPROVAL OF MINUTES

- a) Minutes of May 14, 2024.

The minutes were approved as presented by unanimous consent.

AGENDA ITEMS

- a) **COM 0058 - Black Nugget Wall Project (TR 033) Landscaping Standards**

Presented by:

Emily Moon, Public Works Director
Jim Jacobe, Senior Transportation Engineer

The Committee unanimously recommended revising the street standards for this project as recommended by the Administration due to impacts to critical areas, high cost and safety issues if the wall is not replaced.

Additional Committee comments included the following:

- Would like to see some mitigation of the wall to soften the wall and to help meet the intent of the landscaping standards.
- Concern about this being the second requested deviation from the Street Standards in such a short time.
- Recommend developing consistent criteria to allow for some flexibility in Street Standards so that exceptions do not need to be sought as often.

ANNOUNCEMENTS - None.

ADJOURNMENT

There being no further business, the meeting was adjourned at approximately 7:58 PM.
